JAIL INSPECTION REPORT**

Facility Name: San Patricio County Jail

Date:

June 13, 2017

Item	Section	Paragraph	Comments
1	273	.5(a)(2)	Identification. Procedures for intake screening to identify inmates who are known to be or observed to be mentally disabled and/or potentially suicidal and procedures for compliance with Code of Criminal Procedure Article 16.22 and referrals to available mental health officials;

During the review of a death in custody, it was determined that the magistrate was not notified as required by the directives noted on the Screening Form for Suicide and Medical/Mental/Developmental Impairments. The jail administration confirmed, via e-mail, that the magistrate notification was not completed as required. The facility had this very same deficiency noted on the March 2, 2016 Annual Jail Inspection Report in that the staff were inconsistent in notifying the magistrate as required.
