Enclosed is a copy of our Paper Ready Inmate Reports which is reflective of the number of inmates, as reported by the counties, for whom paperwork and processing has been completed for admittance into the Texas Department of Criminal Justice – Institutional Division. The enclosed report encompasses the months of June 2020 through August 2020.

In August, the number of “new paper-ready inmates” decreased by 28. The average number of new paper-ready inmates per month over the last twelve months is 2,447. This month’s number is 762 less than the average due to the closure and reduced operations of court systems during the COVID-19 pandemic. In August, the total number of paper-ready inmates held in the county jails was 5,922 a increase of 208 from the previous month. The number of transfers from the county jails to TDCJ-ID increased by 50.
