GENERAL DESCRIPTION

Performs moderately complex (journey-level) consultative services and technical assistance work. Work involves planning, developing, and implementing an agency program and providing consultative services and technical assistance to program staff, government agencies, community organizations, or the general public. May provide guidance to others. Works under general supervision, with limited latitude for the use of initiative and independent judgment.

EXAMPLES OF WORK PERFORMED

- Performs an array of technical, training, research, planning, policy, program assessment, and administrative activities related to program assignment.
- Performs comprehensive reviews of literature, statutes, rules, and/or policies; and prepares administrative reports, studies, and specialized research projects.
- Provides support and collaborates in the planning, development, implementation, analysis, and documentation of an agency program.

Judge Bill Stoudt, Longview, Chair

- Serves as a liaison to staff, government agencies, community organizations, or the public to explain and provide technical assistance on program specifics and requirements. Searches and reviews criminal justice literature to develop new research proposals.
- Conducts surveys and/or reviews to determine compliance with certification requirements, laws, regulations, policies, and procedures.
- Markets program(s) to community and professional groups to encourage and/or improve interest in the program(s).
- Monitors and reviews compliance with program policies and procedures, statutes, and rules for assigned program.
- Studies and analyzes operations and problems, prepares reports of findings and recommendations, and prepares justifications for the implementation of procedural or policy changes.
- Assists in reviewing and evaluating information on service delivery system methods, outputs, and activities to identify gaps in resources and recommend improvements.
- Assists with the collection, organization, analysis, and/or preparation of materials in response to requests for program information and reports.
- Assists in preparing and evaluating program budget requests.
- May collaborate with program staff in determining trends and resolving technical problems.
- May recommend and coordinate activities to produce a more effective program.
- May assist in analyzing legislation to develop recommendations for policy in programmatic areas relating to the implementation, improvement, and/or expansion or reduction of program funding.
- May provide input on developing and/or revising policy and procedure manuals.
- May provide guidance to others.
- Performs related work as assigned.

GENERAL QUALIFICATION REQUIREMENTS

Experience and Training

- Experience in interaction with public officials and jail experience is desirable.
- Experience in a field related to the agency program is preferred.
- Graduation from an accredited four-year college or university with major course work in a field relevant to the assignment is generally preferred. Experience and education may be substituted for one another.
